

## **Encore Energy, Inc. Makes a Strategic Acquisition of Drilling Rights in the Horizontal Berea Oil Play of Eastern Kentucky**

*Encore has secured drilling rights off-set to what is reported as the most productive Berea oil producing areas in Lawrence County, Kentucky, and the Company plans to drill an additional eight (8) horizontal wells, long-term.*

BOWLING GREEN, Ky. ([PRWEB](http://www.prweb.com)) December 08, 2017 -- Encore Energy, Inc. announced today that the Company has entered into an agreement to acquire exclusive drilling rights to the JD Hardin heirs estate lease block(s) where thousands of acres are directly off-set to multiple areas of proven Berea oil production in Lawrence County, Kentucky. The Lawrence County Berea Oil play reportedly produces more than 20% of the state's annual oil production. The Berea is projected to produce and provide income for up to ~15 - 20 years or more. Encore is a proven operator in the Berea play. Be sure to check out the Company's Investment Operations Due Diligence section online at <http://www.encore-energy.com/Operations.html>

“Encore is currently making plans to drill eight (8) horizontal Berea well locations, long-term”, said Steve Stengell, Encore’s President and CEO.

Oil and gas investments involve a high degree of risk and are suitable only for SEC defined accredited investors who can afford the loss of their entire investment. No assurances can be made as it relates to production, reserves, income, profitability, timelines or any other estimates or projections.
